Mr. Joe Burrow  
Vice President of Operations  
Silverline Incorporated  
2300 Twelfth Avenue South  
Moorhead, Minnesota 56560

Dear Mr. Burrow:

This refers to my letter of December 17, 1973 regarding the disposal of acetone waste (a toxic-hazardous waste) from the Silverline plant located in Moorhead, Minnesota.

You will recall that the above mentioned letter requested that this office be informed within 15 days of the procedure the Company intends to follow regarding the proper disposal of the acetone waste. At the present time, this office has not yet been contacted by the Company regarding this matter.

It is therefore requested that the Company contact this office within 10 days to discuss possible solutions regarding the matter of the acetone waste disposal.

Yours very truly,

William M. King  
Dist. Solid Waste Officer
